

The role of Vice President of the European Heart Network (EHN)

General rules:

- The Board may appoint a Vice President.
- The Vice President shall preferably be the immediate Past President of the EHN.
- If the Past President is not available, the Board appoints a current member of the Board who has been a member of the Board for at least 18 months.
- The Vice President does not have a special area of responsibility.

Duties include:

- Automatically take over as President in case of his/her resignation, removal or death until a new President is elected by the General Assembly.
- Assume function of President in the event of his/her prolonged absence or incapacity.
- Represent EHN at events on behalf of the President if he/she is not available or if practical circumstances favour it.
- Chair Board meetings when the President is not available.
- Perform special duties as agreed by the Board.
